320. GROWTH IN FAITHFUL DISCIPLESHIP

This column contains GMC information on Doctrines and Discipline.

Faithful membership in the local church is essential for personal growth and for developing a deeper commitment to the will and grace of God. As members involve themselves in private and public prayer, worship, the sacraments, study, Christian action, systematic giving, and hold discipline, they grow in their appreciation of Christ, understanding of God at work in history and the natural order, and an understanding of themselves. Faithful discipleship includes the obligation to participate in the corporate life of the congregation with fellow members of the body of Christ. A member is bound in sacred covenant to shoulder the burdens, share the risks, and celebrate the joys of fellow members. A Christian is called to speak the truth in love, always ready to confront conflict in the spirit of forgiveness and reconciliation.
