## GMC Transitional Book of Doctrines and Discipline

### 306. Transformational Discipleship

**This column contains GMC Information on Doctrines and Discipline.**

We recognize that God made all creation and saw that it was good. As a diverse people of God who bring special gifts and evidences of God's grace to the unity of the Church and to society, we are called to be faithful to the example of Jesus' ministry to all persons. Inclusiveness means openness, acceptance, and support that enables all persons to participate in the spiritual life of the Church and its service to the community and the world. Therefore, inclusiveness denies every semblance of discrimination on the basis of race, color, national origin, disability, or gender. The services of worship of every local church of the Global Methodist Church shall be open to all persons and church activities wherever possible and should take place in facilities accessible to persons with disabilities. Similarly, inclusiveness means the freedom for the total involvement of all persons who meet the requirements of our *Book of Doctrines and Discipline* in membership and leadership of the Church at any level and in every place.

Operation Christmas Child (OCC) is part of Franklin Graham's Samaritan's Purse Program, which we have supported for years. It is a wonderful program that delivers shoeboxes filled with small items for low-socio economic children in the United States and around the world at Christmastime.

If you would like to help fill a shoebox or help with postage, you can click on the DONATE BUTTON on the GIVING TAB on the website

<https://www.welakamethodist.com>.

Any size donation is welcome. If you would like to fill a shoebox yourself, a list of items can be obtained by emailing [welaka.methodist.pastor@gmail.com](mailto:welaka.methodist.pastor@gmail.com).
